

USA vs. Council

13CR 774-2

Greeting Judge,

9/12/22

I'm writing to please ask  
for a 30 to 60 day extension  
on my § 2255 motion. These  
USP is constantly being locked  
down. My institution where  
I'm being currently housed  
has been locked down two  
months out of the last  
three months. Which  
during lockdown the "Law  
Library" isn't accessible to me.

Which I've lost a great amount  
of imperative time to complete  
my law work. If not 60 days,  
please can I receive 30 days,  
Mainly BIC Shortage of staff!  
Sincerely

"Arnold Council"
